

# Your GLAM SAFARI Experience

What better way to introduce yourself to the Paradise that is Botswana than to take a short tour of the No. 1 Ladies Detective Agency sites in the outskirts of Gaborone and top that up with a complete tour of Gaborone City and its beautiful safari.

While you attend a conference/ workshop/Business Summit you deserve the top Concierge Services, and we can handle that for you. Accommodation bookings, car rentals, restaurants, sightseeing? We got you!

Your Botswana experience would not be complete if you don't let us take you through the amazing experience of your life deep in the Okavango Delta, the UNESCO heritage site, as well as the beautiful most beautiful Chobe safaris sunsets. The unforgettable sundowners in our beautiful Okavango Delta will leave you calling for more. Take a walk in the bush or navigate the delta in a Mokoro (dug-up canoe) to complete your experience.
